

FIT GUIDE

HOW TO ENSURE THE RIGHT FIT AND SIZE FOR YOUR CUSTOMER

STEP 1: Start with the chart below for general size information. Not all of our products are represented by the size chart below.

STEP 2: For the best fit, click on the size spec button on the product page online as shown below for specific style garment measurements. Some Ladies styles have a specific fit. Look for one of the icons near the product description as shown below to see the type of fit. Then check the garment measurements on line for specific styles.

STEP 3: Not sure how the garment will fit or what size is best? Order samples so your customer can ensure all members of the group are in the right size. Sample Policy on next page.
